Dear Parents and Carers,

We are having the very popular dance program at our school again in term 2 this year. The program is called “Dance2bfit” and is a very energetic and enjoyable way of introducing our students to many different dance styles.

The Dance2bfit Program is designed to achieve dance outcomes using indicators established by the Board of Studies.

Students will commence classes on Friday 27 April. For your child to participate for the whole term you will need to complete the permission note below and pay $30 to the school by Thursday 3 May 2012. This equates to $3.00 per week. Students will be taught a new dance every lesson over the 10 week program.

Children who participate in the program will receive a Dance2bfit promotional item which will be used in one of the routines.

Lessons will be conducted each Friday throughout term 2. Limited numbers apply so we will have to work on a ‘first in first served’ basis.

Kind regards,

Karen Hodge
Principal
12 March 2012
